**Friday, June 4** - Your adventure begins when you board your motorcoach to be taken to the Amtrak station in South Bend, Indiana late this evening. The train departs shortly before midnight and the night will pass quickly.

**Saturday, June 5** - Today you can enjoy the scenery as you travel East across this great country of ours. Welcome to Massachusetts – the Bay State. After a full day of traveling, you will be met at the train station and transferred to the Radisson Hotel, **Boston** for a two night stay.

**Sunday, June 6** - Following breakfast you will explore Boston on your own. You will enjoy admission for an Old Town Trolley excursion that will allow you to experience a personal view of the city. The tour covers all of the major areas – downtown, Beacon Hill, the Back Bay, the Theater District and the Water front District.

Plus the tour makes stops at the historic North End, Fenway Park and the Seaport District. You will be able to hop on and off and truly enjoy a full day seeing all of Boston. Visit the Old North Church and view Paul Revere's home as you savor the many authentic Italian restaurants, pastry shops, etc. that make the North End (Boston's Little Italy) so famous.

Visit the USS Constitution and the Charlestown Navy Yard and the Bunker Hill Monument. You will see sights along the Freedom Trail including the Boston Massacre Site, the Old South Meeting House and Kings Chapel and Burying Ground, the Park Street Church and the Granary Burying Ground. Walk the narrow brick lined streets of Beacon Hill and for all of you sports fans make sure you stop at Fenway Park. Dinner is included tonight at McCormick & Schmick's before attending a performance of Shear Madness – the hilarious who-dun-it theatrical experience. Did you know that Shear Madness is the longest continually running play in American history? **B/D**

**Monday, June 7** - Check out of the hotel on your way to the John F. Kennedy Presidential Library and Museum. You will enter the recreated world of the Kennedy Presidency for a "first hand" experience of John F. Kennedy's life, legacy, and leadership. You will then travel south to America's Hometown – **Plymouth**. As one of the country's first settlements it is well known in the United States for its historical value. Picture stops will be made at the Plymouth Rock, the

traditional site of disembarkation of the Pilgrims in 1620 and the Mayflower II, a reproduction of the ship that brought the Pilgrims to the New World. Also, a stop will be made at the Forefather's Monument, the largest, solid granite monument in the United States. It stands facing the harbor, welcoming those who come by water. Lunch and shopping are on your own. Admission is included this morning to the **Jenney Grist Mill**. Step inside the old mill and be delighted with stories of the huge grinding stones by the costumed miller. Back on your coach you will travel further south to the sandy shores of **Cape Cod**. Extending some 70 miles into the sea, the Cape is home to both natural beauty and quaint colonial villages. Check into the Holiday Inn Hyannis for a four night stay. **B/D**

**Tuesday, June 8** - Travel to the Hy-Line Docks where you will board the First Class section of the traditional ferry to the stunning island of **Nantucket**. Upon arrival your guide will point out the restaurants, galleries, shops, and museums that are within walking distance of the dock. You will enjoy a tour of the island. Lunch and shopping are on your own. *Please remember to wear comfortable walking shoes for the cobble stone streets and brick sidewalks that line Nantucket's downtown area.* **B/D**

**Wednesday, June 9** - Get ready for a full day of touring. You will travel historic Route 6A, the Old King's Highway, a scenic byway winding through centuries of Cape Cod history. It winds past hundreds of historic structures which characterize its early development. Sand dunes and the ocean surround you as you approach "Land's End" – **Provincetown**. You are now at the extreme tip of Cape Cod. Formerly known as the "Province Lands" the pilgrims landed here first before they decided to settle across the Bay in Plymouth. Lunch is on your own today. This afternoon you will board an excursion vessel for an amazing experience of Whale Watching. You will travel into the natural habitat of a diverse marine environment including birds that migrate here from all over the Atlantic, and fish which use these shallow waters to feed. An onboard naturalist will introduce you to everything you see and will answer any of your questions about the whales, birds, fish and lighthouses. **B/D**

**Thursday, June 10** - You will travel to **New Bedford** today for a special day of touring. Featured around the historic waterfront district, The New Bedford Whaling's National Historic Park offers its visitors a unique look back at its whaling history. Today you will visit the New

Bedford Whaling Museum, the largest museum in the country dedicated to the history of American whaling. Walk across the street and visit the Seamen's Bethel (Whaleman's Chapel), made famous by Herman Melville's "Moby Dick". Constructed in 1832 for the many sailors who called New Bedford their home port and who considered it a matter of tradition that one visited the chapel before setting sail.

Admission is also included to The Rotch-Jones-Duff House & Garden Museum. This home was built in 1834, on a full city block of gardens, for whaling merchant, William Rotch, Jr.

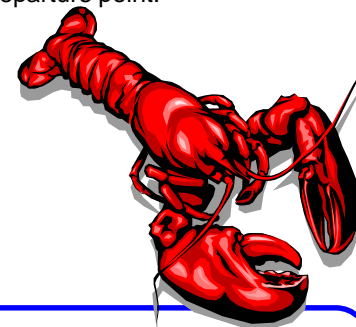

After lunch on your own you will travel back down Cape and you will tour the John F. Kennedy Memorial, the Korean War Memorial, Hyannisport and a view of St. Francis Xavier Church, the summer parish of the Kennedy Family.

A Lobster dinner is included this evening. An alternate entrée will be available for any "landlubbers" not wishing to eat shellfish. **B/D**

**Sat., June 12** - You will arrive back in South Bend this morning where your motorcoach will be waiting to return you to your departure point.
